STATE COUNCIL OF HIGHER EDUCATION FOR VIRGINIA

Established in 1956 by the General Assembly and the Governor, the State Council of Higher Education for Virginia (SCHEV) is the Commonwealth's coordinating body for higher education. SCHEV's mission statement is:

To promote the development of an educationally and economically sound, vigorous, progressive, and coordinated system of higher education.

By statute, the Council makes policy recommendations to the Governor and General Assembly affecting Virginia's outstanding system of higher education in such areas as capital and operating budget planning, enrollment projections, institutional technology needs, and student financial aid. The Council also administers a variety of educational programs that benefit students, faculty, parents, and taxpayers. SCHEV serves as a catalyst to promote greater access, quality, affordability, and accountability throughout the system. SCHEV also helps policymakers, college administrators, and other concerned leaders work cooperatively and constructively to advance educational excellence.

The Council consists of 13 members who are appointed by the Governor to four-year terms. As of August 2013, the members and officers of SCHEV are:
